Sessional Paper No. 440

440. Mr. McNaughton – Enquiry of the Ministry – Would the Minister of Finance set out the cost of the Ministry for the operation of the Estate Administration Tax audit and verification authority (including collection measures), taking into account: (a) internal costs, including salaries, benefits, allocation of occupancy and other costs; and (b) external costs, including hiring of contractors such as accountants, valuers, lawyers, etc. October 8, 2015.

Response:

The ministry does not make public the resources utilized on specific programs. We make Public Accounts accessible to the public which include details of ministry vendor payments.

Sincerely,

A handwritten signature in black ink, appearing to read 'Charles Sousa'.
