Sessional Paper No. 442,

442. Mr. McNaughton – Enquiry of the Ministry – Would the Minister of Finance disclose how many Estate Information Returns should have been received by the Ministry, to date, since the implementation of the audit and verification authority. October 8, 2015.

Response:

The ministry would take appropriate action to address any returns that have not been received and that should have been received through the estate certificate process. The ministry does not make public where actions are taken.

Sincerely,
